

To Parents and Carers of Children in Years 2 - 5

24<sup>th</sup> May 2019

Dear Parents and Carers

**Music Lessons**

The Northamptonshire Music and Performing Arts Trust offers woodwind, strings, brass and guitar lessons at Hopping Hill. From September the cost will be £40.00 per half term (£240.00 per year). If you would like your child to be considered for music lessons from September please return the slip below.

If your child learns an instrument at school we ask you to ensure they bring their instrument into school for their lesson each week and also that they practise regularly at home. You will be asked to sign and comment in their practice book each week. Children who do not attend lessons and practise regularly are asked to give up their place to another child on the waiting list.

Please note that children need their adult front teeth in order to play a brass instrument.

Yours sincerely
