**Please read and sign**

It is my understanding that medical care, if required will be paid by me. I also understand that an adult must attend any field trip and stay with that child for the duration of the entire field trip. It is also my understanding that I am responsible for providing snack throughout the school year. I understand that tuition is based on a yearly fee that can either be paid monthly on the first school day of the month or for the entire school year in one payment.
