“LABOR DAY AND THE HAND OF GOD”

‘The People Had A Mind To Work’

Nehemiah: The Wall and the Kingdom of God.

Nehemiah 2:17-18: The hand of God which is good is upon me.

Whether, A nation or a church, a people’s godliness comes from upholding the authority of God’s Word.

With the burden a proper spiritual leadership should be revealed, the Word it taught and implemented, people respond and reforms are instituted.

Nehemiah: the Wall and the Kingdom of God.

Nehemiah 4, 6, and 8.

Honor God: Unite and build the wall.

Build your walls.

People respond and affirm the vision.

Expect opposition:

The ultimate goal is to see the people honoring God in their lives.

Trust God for provision and protection., it’s contagious.

Life Lessons from Nehemiah:

- Prayer expands our vision. Prayer and working together, unite the Kingdom of God..
- Trust God to provide and protect and to unite.
- Teamwork is essential for the completion of our task.

We, this church, are repairers of the breach! (Repairing 5 churches) pray/unite.

“We” need to start thinking “We”.., the Greater Body of Christ.

Be encouraged, we are going to be amazed at the outcome.

God is doing His Thing! God is good.., God is great.., God is glory!
