Philosophy

I believe that all children are a gift from God Himself, and placed on earth by their Creator for a purpose. I believe it's never too early to begin shaping a child's life for Christ. That is my mission as a Christian educator; to point the children that God places in my path to Him.

Testimony

I was fortunate enough to grow up in a Christian family, and be raised in the church. I was baptized at the tender age of 7. My father and grandfather are both pastors, and I had the privilege of coming to know who Jesus is through those within my own family. As an adult, I have come to know Jesus more deeply, and have been so very blessed to have been in many workplace and church environments where I am surrounded by other strong believers. God continues to be faithful in my life and I look forward to everything He has in store!
