Connecticut Art Education Association, Inc.  
and the  
Hartford Art School, University of Hartford

The Connecticut Regional Scholastic Art Awards  
is an affiliate of the Alliance for Young Artists  
and Writers.

The awards celebration you are attending today is a Connecticut Art Education Association, Inc. supported event that continues efforts to recognize the achievements of talented art students in public and private schools and art programs throughout Connecticut.

While the financial times show signs of difficulty, the Arts must continue to gather strength from the enthusiasm and interest of our young people. We are thankful for the support of parents, teachers and the commitment of Connecticut Schools and arts advocates. Without this support and the many volunteers, whose countless hours of service and sacrifices are essential to the running of this program and to its future. The nearly 600 works you see on display at the Hartford Art School were chosen by panels of judges from all of the student submissions entered this year. The exhibit runs from Monday, January 12 to Friday, January 30, 2026.

National Award Winner Information  
The National Awards Ceremony will be held in June 2026  
in New York City.

Any selected National winners will be contacted directly by the  
Alliance for Young Artists and Writers in April.
