Dec. 12 ACT test in Scobey

MT colleges and universities are waiving the ACT test score requirement for admissions for the fall of 2021. The MUS Honors scholarship and STEM scholarship opens Dec. 1 and still requires the ACT score.

The ACT test will be given again in Scobey on December 12 in the school library at 8 am. Students may enter through the commons doors and must arrive at least 15 minutes before testing is to begin. They need to have a photo ID with them and their printed registration form. It is appreciated if there are no loud activities taking place during this testing time. March 23, 2021, is the date set across the state for juniors to take the ACT test.

December 1 is the FAFSA priority filing date. This only means that more financial aid is available for students who file the FAFSA early. The FAFSA can still be filed after Dec. 1 and students will still receive financial aid.

The ASVAB had to be rescheduled for the juniors and will now take place on Nov. 12. This is a military related test but it is used for career exploration purposes. Students are not contacted by military personnel unless they give permission to do so.

The NAEP test for reading and math will be given to our 8th graders in early 2021. This is a state required assessment given on alternating years. The following is the OPI testing period for our yearly required assessments:
