Can't believe we are looking at the month of June, wasn't it just January??

Keep in mind that June and July is considered our "Summer Camp" months which means fun, fun, fun! Each individual classroom is planning their own fun curriculum which will be posted in their classrooms so please be on the lookout for that info! Remember water play will definitely be a part of our summer fun, so plan accordingly, [especially sun screening your child daily.](#)

June 8th will be our "Grown ups Night Out" from 4-10pm. It might be a good idea to plan a date night that evening! We appreciate the families that take advantage of this event, it's always a fun evening!!

Thank you one and ALL for bringing back your upcoming enrollment forms for our 2019/2020 school year. Ms. Lisa and I are almost done with going through the wait list which means, happily, we will be full once again. Thank you for also referring families to us. Our parents are our best source of advertisement!!

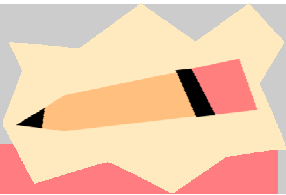

Happy Summer, everyone! Stay safe!

Kateri's News

Hello families!! This month is full of exciting new things!! We will be practicing using our utensils when we eat as well as using Dixie cups with little to no help. We're really encouraging a little bit more independence when it comes to feeding and moving around. The children are doing AWESOME in class trying to feed themselves. They're all so mobile and I think we're all excited to see their first steps! With all the moving and beginning to walk, please bring shoes to help the children protect their feet when we go outside and to get them used to walking with shoes on. We have a few reminders, please bring sunscreen, hats and weather appropriate clothes. Thank you all for helping us with the new transitions. We know it's hard but we'll all get through it! A BIG HAPPY FATHER'S DAY to all of our Dad's-you are all amazing!!

Happy Birthday to our Mr. Theo! (June 21st).

Sadie's News

Welcome to the month of June! Our little ones are almost all one year old! In two very short months we will all be Young Toddlers!

We have been working on our fine motor skills: clean up, utensils and using Dixie cups. We are preparing for our new classroom with only one nap daily, more outside time, art, circle and so much more! We are discovering so many textures in and out of the classroom!

A shout out to all of our wonderful daddies! Happy Father's Day! We are lucky to have you!

Thank you, all, who took the time to have conferences with me. It's such a wonderful time to talk about your child.

Now that it's getting warmer, please make sure to apply sunscreen in the morning and we will reapply it before we go outside. Please make sure that your child has summer clothes in their cubby and please remember shoes.

Please speak to anyone of us if you have any questions.

YOUNG TODDLER NEWS

Alex's News

Hello Summer! Can you believe we are in our last 2 months as Young Toddlers? This year has flown by! June is an exciting month for us. We will start a music and dance class called Bounce & Boogie, starting June 10th w/ Ms. Emily. She will come in every Monday morning for 30 minutes for both our class and Nicole's combined together. This will happen next school year on Monday's as well. We are so excited!

The weather is finally warming up and we will begin water play days. More info coming soon. Lastly, Family Conferences will be the week of June 24-28th. Look for the sign up sheet in the classroom by the sign in/out binder.

This month we will be focusing on Summer Fun and the Ocean. We will explore these themes through stories, songs, and art. We are also still working on independent skills such as cleaning up toys, washing hands and taking off our shoes/putting them on after outside time. Practice these skills at home whenever possible. It will really make our transition to Older Toddlers easier. We hope everyone has a wonderful June!

Nicole's News

Welcome to June! It's time for fun in the sun! We plan to continue having picnics for lunch and we would also like to enjoy circle time outside for a fun new environment during learning time.

At this time we would like to welcome Ms. Breanna to our class. She will be helping us out for the summer. We are so happy to have her and she works wonderful with the children. It's so nice to have a familiar face and consistency!

On Wednesday, June 5th, Cassia's mom, Makah will be bringing in their dog Timmy to meet the class. Timmy will do a few tricks for the class and he will get his teeth brushed for us to watch. Please sign the permission form for your child to participate which will be located near the sign in book.

June also means it's time for water play. Starting Thursday, June 6th and every Thursday until July 26th we will explore with water outside. We will bring out water tables, buckets, bowls, sponges and paint brushes for a "fun filled" sensory experience. You do not need to bring your child in swimwear but we do highly suggest dressing your child appropriately—shorts, shirts and shoes that you don't mind getting wet. Please pack a set of dry clothes to change into in case they get too wet.

I will be hosting family conferences June 17th through June 28th. I will be sending home ASQ's and posting a sign up sheet near the sign in book, keep an eye out!

Our theme for the month is "Sea Life". We will go on an underwater adventure exploring sea life through age appropriate books and art.

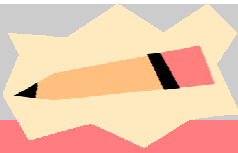

We hope everyone has a fun and safe summer!

OLDER TODDLER NEWS

Liz's News

Well, mother nature is unsure if summer wants to stay or not. Just to be safe we ask that you bring your children with a light jacket and sunscreen if they don't already have some. Thanks in advance!

It's officially less than 3 months until this school year ends and our little ones head over to preschool.

We only have a couple more kiddos to potty train. With that said, we are going to work really hard to get everyone trained before transitioning to preschool. We are planning a water play day at the end of the month and of course, the end of the year party at the end of July. The kids have been practicing drawing with meaning and writing some letters.

We will also continue on working on communicating with our friends and teachers! Have a great summer!!

Wow! We can't believe May has come and gone already and it's now June! There is a lot going on this summer and we are looking forward to it. We will be working on shape, number and letter recognition. We will also have a lot of fun artwork planned. We are asking for

more parent volunteers to signup and do something fun with the children this summer.

We have a few dates for everyone to remember and put on your calendars. We took a vote and the Zoo won! With that said, the field trip will still be on June 7th and we will meet in front of the zoo at 9:00 am. We will have lunch there around 11:00 am in the grassy area, so please bring a sack lunch or you can buy lunch from the café. There will be a list so please check if your child is or isn't going and if they will be returning to school after the zoo.

On July 26th we will be having our end of the year party at Peter Piper Pizza (Juan Tabo location) starting at 11:00 am. Ms. Liz's class will be joining us as well. We look forward to this event before our kiddos head off to preschool. We hope that everyone can join us. Any questions, please just ask.

Happy Birthday to Ella on the 9th, Sienna on the 16th and Michael on the 27th! Let's have a great month!

Summer is upon us and we are getting very excited for our upcoming end of the year celebrations. Please remember to note how many family members will be in attendance on our sign up sheet next to our sign in/out book. We would like to get an accurate head count so that we may plan accordingly for Friday, June 7th.

Also, as the days are getting warmer, we ask that you bring a hat for your child as well as remembering to apply sunscreen in the mornings. We will reapply sunscreen in the afternoons.

Our themes for this month are as follows:

- | | |
|-------------|------------|
| *June 3-7 | Graduation |
| *June 10-14 | Sun & Fun |
| *June 17-21 | Pond Life |
| *June 24-28 | Dinosaurs |

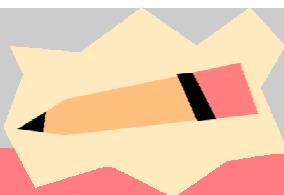

This month, we will begin our water play on Friday, June 14th at 11:00 am. We will continue water play on Friday's throughout the summer. Please remember to bring a swimsuit/shorts and closed toe water shoes for this day as well as a large (labeled) beach towel for your child.

Lastly, we invite all Dad's to join us for "Dogs with Dads" in celebration of Father's Day. Please join us at 12:00 on Friday June 14th and bring your appetites!

Thank you families and Happy Summer!!

Welcome summer! We are so happy for the warmer weather—our vegetable and flower gardens are doing great! We have tomatoes, bell peppers, strawberries, cucumber, basil, 3 types of mint and lots of flowers. Thank you so much for all of the donations! Please come take a look if you have a moment.

June marks the beginning of our “Summer Fun” curriculum. Along with our regular curriculum we will begin having weekly water play, bi-weekly movie days, cooking activities, super science activities and silly dress up days. Once we get everything scheduled, I will hand out a monthly calendar to help keep everyone on track.

Our June curriculum is as follows:

*June 3-7	Zoo/Graduation
*June 10-17	Camping/Forest Animals
*June 17-21	Dinosaurs
*June 24-28	Dinosaurs

Important June Dates:

*June 7	Preschool/Pre-K Graduation/Celebration 10:30 am
*June 13	Donuts with Dad/8:30 am

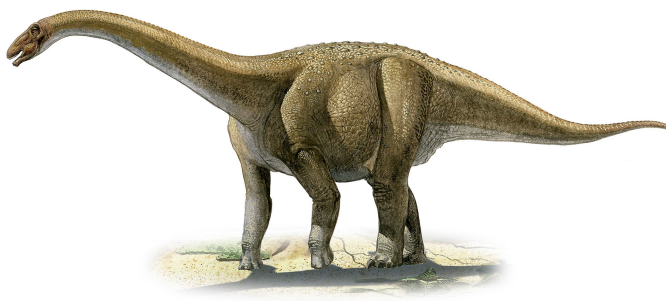

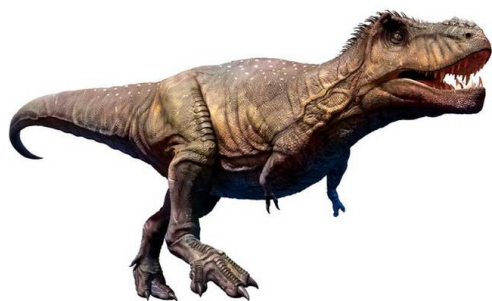

Please remember to sunscreen your child every day before school and we will reapply before afternoon outside time.

Thank you again for all of the kind words and thoughtful gifts during Teacher Appreciation week, we appreciate being appreciated!

Lauren's News

Happy Summer Pre-K families! We made it through graduation, thank you so much for your participation and support. We couldn't have done it without you!

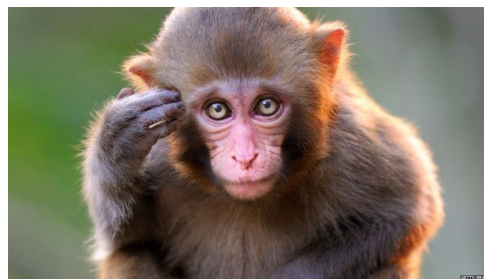

As we head into the summer, we will have a summer fun calendar starting the last week of May into August. The Summer Fun Calendar is posted in the classroom.

**** PLEASE remember water shoes or safe (non-slip, closed toe) shoes for water play days on Tuesday. This will start on Tuesday, JUNE 4TH!**

Lastly, feel free to sign up to volunteer this summer to read a story, lead an activity or science experiment with our class!

Curriculum themes are as follows:

- | | |
|--------------------|-------------------------|
| *June 3-7 | Zoo Animals |
| *June 10-14 | Dinosaurs/My Dad |
| *June 17-21 | Dinosaurs |
| *June 24-28 | Sports Week |

We look forward to an awesome summer together!!

Ms. Lauren

Ms. JoAnn

Ms. Desiree

Welcome to summer! I can't believe how fast this year is flying by. I have a couple of mid-year reminders for you.

- 1) Please remember that we do have a Late Pickup policy. We DO charge \$10 per minute starting at 6:01pm (as written in the Family Handbook). There are always exceptions, for example an emergency such as the base gates being shut. But we do require a phone call. This is out of courtesy to our staff who are here until 6:00pm and are trying to make it home to their own families.
- 2) Please be aware of any notices next to the sign-in books in your child's classrooms. **These contain important information.** Oftentimes, we ask for feedback from you, such as whether you are planning on bringing your child back from a fieldtrip or an event. This is to help us plan staffing. If we do not have any children coming back, then we can let our teachers know that they too do not need to come back. But, we do need to know this in advance to make sure we meet our ratios.

Thank you all for everything you do! **Happy Father's Day to all of our dads!!** You are such an important part of your child's life and we appreciate all that you do!

Have a wonderful and fun filled June!

Lisa

**HELP
WANTED**

As always, please check with your child's teacher if there is a special project, party, activity, etc. that you can volunteer to help with. Parent participation is always appreciated and welcome!
