

HAND TO HAND COMBATIVES

Basic Hand to Hand Combatives - This course is designed to give the student the mindset to prevail in hand to hand confrontations. The curriculum is designed to teach quick thinking problem solving skills, and how to respond to the most common types of combative situations. The student will learn to combat physical confrontation against an attacker using body control and leverage. Topics include learning how to fall to prevent injury, how to quickly regain balance, blocking techniques, and using leverage and momentum to gain control over your attacker.
