- | Fuel                                  | Unleaded fuel |
|---------------------------------------|---------------|
| • <b>Fuel tank capacity: 26 gal.'</b> |               |
| • <b>Miles per gallon: 19 mpg</b>     |               |

The miles per gallon calculations are estimations for ideal driving circumstances. Many conditions can affect this number, including driving with a load, road grades, weather conditions and vehicle speed.

All [rental truck](#) and trailer measurements are approximate. The equipment you receive may vary in size, based on the engineering/design specifications of multiple-production models.
