“ONE IN HIM... HE IN US... JESUS CHRIST!”

‘We love Him... because He first loved us’

I John 2:15-17 One... We and God!

“To love is nothing, To be loved is something, But to love and be loved.., that is everything.” T. Tolis.

“I believe in God because my parents told me. I believe in God because the church told me. *But I love God* because I have experienced His goodness, His mercy, and His love.” w/k

I John 1:1-4 “We” in Jesus Christ equals joy.

Words of knowledge this past week:

1. “We need to thank God for everything, so that we hear Him in something.”
2. “If we spent as much time chanting ‘God is love’ as we do wrestling with our problems.., what could God do with us?”
3. “It is not what we like.., but who we are to be.”
4. “We see Scripture through our teachings rather than teaching through Scripture.”
5. “We are now in the fourth set.”
