

## **Emert Ranch Sniper Shoot and 1,000 Yard match**

The Emert Ranch Sniper shoot and 1,000 yard steel plate match was held October 17, 2014. The first order of business was to shoot the 1,000 yard Texas Sniper Championship match. Each competitor gets one shot, cold bore, no sighters, at a silhouette target posted at 1,000 yards. A shoot-n-see target is posted on the chest of each target. Closest to the center wins the coveted right to be called the Texas Sniper Champion for a whole year along with various other prizes including cash. This year, Gary Foster won the sniper shoot with a shot 4" from the center of the target. A great feat indeed. Most of the rest of the competitors had to duck and evade as they missed their intended victims entirely. Well Done Gary!

Then it was on to the second event of the day. For the 1,000 yard steel plate shoot, the targets were two 15" plates, two 12" plates, two 9" plates, and one 6" plate. The 15" plates were worth 10 points each, the 12" plates worth 20 points each, and the 6" and 9" plates worth 30 points each. Each competitor shot four rounds.

There were 26 shooters in the open class and 4 shooters in the .308 tactical class. The wind at the 1,000 distance made shooting tough as it continued to change thru the day but some shooters figured it out better than the rest of us. When the dust settled, Gary Foster won the match with a score of 420 points. Sam Duke was second with 410 points, and Leland foster was third with 390 points. Congratulations again Gary Foster!

In the tactical class, shooting a 308 off a bipod at 1,000 yards is tough but the talented team of Allen and Letha Tampke took first and second places. Their F-Class skills certainly helped them on this day.

All proceeds from this match go to support the Water Valley Volunteer Fire epartment who supply the range officer and target crew for the Match. Thank you WVVFD for your fine job supporting the community.

Full results are shown below.
