

July 2016 Volume 23, Issue Number 7

John 3:16

"For God so loved the world, that he gave his only begotten Son, and whoever believes in Him will not perish but have everlasting life"

Chaplain's Message

It is always fun to look forward to the 4th of July celebrations and our car club celebrates in a big way by participating in the Arlington Parade. Of course with the great country we live in there is much to celebrate.

Independence Day reminds us of what our forefathers believed in that helped begin this country. Our country was founded on Christian principles. Christians have been blessed for many years to have a safe place in which to follow their religious beliefs. Today we can celebrate what it means to be an American in a Christian country. Even though our country is struggling on how "Christian" we are as a nation; we know that it is for each of us to personally live as Christians and pray that our country will retain the religious freedom we now enjoy, praying that it will have a strong Christian direction in spite of the problems we have seen in the last few years.

So we have to remember God's promise that He will heal our nation if we Christians will do our part to apply the scripture that says: "If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sins and will heal their land." (II Chronicles 7:14) As we do this and God blesses our country once again we will truly have reason to celebrate.

President's Message

NOTHING LIKE TEXAS WEATHER! Our June Car Show was welcomed with a Texas – it feels like 105 degrees - temperature. Hats off and a big thanks to **Lorane Rea & Brian Kahlmorgan** for bringing the cool neck towels. I saw one person from the registration area dip hers in the ice water of a cooler and wrapped it around her neck without ringing it out! We had a 144 cars register for our Father's Day Car Show.

The July Car Show theme will be "Beach Party". Yeah! Reprieve! No Club burgundy shirts required. We'll look good with everyone wearing Hawaiian shirts, flip flops and some kind of big beach hat. Mike's Off Road Accessories will be our Show Sponsor. I hear he has something big and tall to bring.

July 4th Parade. We want our Club to bring home the trophy for the best July 4th Car Club entry of the parade. The judges are looking for lots of RED, WHITE, and BLUE decorations. All entries must be decorated in RED, WHITE, and BLUE. In addition to your car decorating there will be (OH, YES!) RED, WHITE, and BLUE 14-16 inch balloons to add to your car. Judging starts at 7:30 am, everyone will need to have your car decorated and at the staging area before 7:30am. We have entry space for 16 cars. Let's rally and fill all entry spaces.

America Imagination & Ingenuity

Submitted by **Linda Walker**

A dear friend of mine posted a family memory on Facebook this month that I thought would be interesting for our Club's "Gearheads". When she was a small child her family loved to go on camping trips. Her father, who was a tool maker at Lockheed Martin, loved designing and building things. In 1965-66 he came across a 1957 Oldsmobile rag top and brought it home. He chopped off the back end and converted it into a camper for the family. It slept 6, had a full kitchen, and a bathroom. Such imagination!

Cruisin' Along...

Streetside Classics Show

The cloudy weather and rain that was predicted played a factor in the turnout for the Streetside Classics Car Show in June. There were 42 cars that participated. The awards were a big hit with everyone! Denise was very pleased. Special thanks to **Dick McRae** for making the awards happen. It's amazing what you can do with old car parts! Thanks to everyone who donated parts and worked the show.

Hot Rod Power Tour

By Pat Friesen

Chris Sowell, Dan Helfer (and his friend Fred), **Clifford, Stan,** and **Pat Friesen** drove their rods on the first four legs of the HRPT. It began with a washout in Gonzales, LA, and a burn out (heat) in Oklahoma City! They saw lots of cars, met some really interesting people and racked up more road trip miles.
