**TEXOMA VINTAGE/CLASSIC CAR CLUB—OUR 46TH YEAR**  
 WWW.TEXOMAVINTAGECCC.COM

## President's Message

Well we made it though another successful car show. Not as many entries as in the past, but what we had in the parking lot was quality. Several cars and trucks could have gone home with the Best-in-Show awards with the quality we had.

We had a total of 131 vehicles registered for the show. The number was up from our very hot car show last year, but down from the past several years.

Congratulation to our members who showed their vehicles and won awards. Several of the partici-

pants told me that they had a hard time choosing which cars in each class. As I have always said, our members have vehicles that compete with any.

I want to personally thank each of you who spent time working at the show. Without your help at the entrance, at the registration tables, and at the t-shirt table and with parking, the show would not have gone off as smoothly as it did. Our club is blessed to have the type of members we have who pitch in and help where needed. Again thanks to each

of you for your assistance.

The car show committee will be meeting soon to follow-up on the show and to begin discussing our 31st show. If you have any suggestions for improvement, let me know.

The meeting this month will be our annual spring cookout at Pecan Grove Park in Sherman; Thursday, May 23 2019 at 6:30pm.

See ya there.

Robert
