**1. Certification of the June 1, 2021 Municipal Election**

Laura Whittington gave some statistics before giving the final results of our Election.

- She said in the seventeen years she has been helping with the elections, this has been the lowest number of voters, probably because there was no competition.
- Bolivar has 780 voters
- After certification is complete, everything is locked up, secure and kept for two years. The keys are kept in a fire proof file.
- A copy of the results of the election is sent to Voter Registration and to WV Secretary of State.
- All of this is shredded after two years.
- As far as salary goes regular employees such as Mr. Garza, Ashley and I were only paid if we did anything after our regular hours. Anyone that came in to vote during regular business hours, we were only paid our regular salary from Bolivar. Ashley did not help this year because of Covid 19 and her new baby.
