Dear Supporter,

The Randolph Roadrunners Track and Field Club is a youth-focused, non-profit 501(c)(3) organization dedicated to developing young athletes in San Antonio and surrounding communities. We are reaching out for your support!

As a registered nonprofit, all donations of \$250 or more are tax-deductible, and a receipt will be provided for your records.

Why We Need Your Support

Your generous donation helps cover critical costs such as:

- Team uniforms
- Training equipment
- Meet registration fees
- Lodging and travel for competitions

This year, our season will culminate at the AAU Junior Olympics in Houston, Texas — a life-changing opportunity for our athletes.

Who We Are

Every year, we have approximately 120 young athletes between the ages of 5 and 18

We have been members of the Amateur Athletic Association(AAU) for over 30 years

Staffed entirely by volunteer coaches and administrators — no one receives compensation

Our Impact

The Roadrunners program develops future leaders in addition to athletes. We build confidence, character, work ethic and a positive self-image through our program.

Many of our alumni have earned:

- State, Conference and National Titles
- Collegiate Athletic Scholarships
- Positions within the USA Olympic Team, NFL and NBA

Join Our Journey

Your sponsorship will make a direct and lasting impact. With your help, we can continue offering guidance, training, and opportunities that transform young lives.

We hope you will consider partnering with us as a proud supporter of the Randolph Roadrunners Track and Field Club.

Thank you for your time, generosity and belief in our mission.

With gratitude,
Randolph Roadrunners Track and Field Club
