- Duct Cleaning / Filter Changing

Past Performance:

Differentiators:

Stroger Hospital Fire System Inspections	\$200,000/YR	Over 10 years of experience
> Subcontract under Johnson Controls, Inc.		
> Provide labor to inspect over 2,000 fire systems devices		We give back to the community by hiring local individuals with minimal previous training and prepare them to work diligently on projects.
Chicago Transit Authority Bus Systems	\$500,000	
> Subcontract under Clever Devices		
> Upgrade the communication systems on over 2,000 CTA buses		Ongoing training for our employees
PACE Bus Fuel Monitoring	\$100,000	As a small business, we are able to offer low prices while focusing on the needs of our customers
> Subcontract under Fleetwatch		
> Install fuel monitoring equipment on over 700 PACE buses		We use the ComEd Smart Ideas Incentive Program to decrease the cost of energy management systems as much as 50%
