<p>Mission of the Month: Hope Harbor, Parker, SD: Hope Harbor offers family-style care for teens as they heal from a variety of issues that are unfortunately commonplace for youth today. These include past abuse, trauma, anger, substance use, mental health challenges, exploitation, self-harm, suicidal ideation, anxiety, attachment issues, and more. We work with ordinary kids who are healing from extraordinary things; each one a child of God, loved by the Savior.</p>	<p>Mission of the Month: Boys LUC Ranch, Lampe, Mich.: One of the unique qualities of the LUC program is the willingness to help a boy overcome his problems and not "kick" him out of the program because of his negative behaviors. We believe that God has chosen each boy who comes to LUC and has a purpose for his life; therefore, we look rather to develop the unique qualities of each boy which helps bring meaning to his life. We have seen dramatic miracles in the lives of many boys who were dismissed from other treatment programs.</p>
