LOOKING UP

Evening planets for May and June are *Venus* and *Jupiter*.

Venus is very

bright and near the horizon in the West Northwest. *Jupiter* is seen nearly South in June, and by July, it is bright and in the Southeast. Stars that surround *Jupiter* form the constellation *Libra*.

Mars and *Saturn* are morning planets and are seen in the Southwest sky just before dawn. *Mars* will be at opposition with *Earth* on July 26th, the closest it will be to the *Earth* until 2015. If you have binoculars or a telescope, this will be a great time to view *Mars*.

Summer officially begins on June 21st, with the *Solstice*, which is the longest day of the year in the Northern Hemisphere.

Alan Hill

And God said, "Let there be lights in the expanse of the sky ... God made two great lights--the greater light to govern the day and the lesser light to govern the night. He also made the stars. God set them in the expanse of the sky to give light on the earth, to govern the day and the night, and to separate light from darkness. And God saw that it was good."
(from Geneses 1:14-18 NIV)

MEDICAL FACT

Laughter

Three deep laughs each day will improve your health and wellbeing. Here is your first opportunity:

A small boy stunned his parents when he began to empty his pockets of nickels, dimes and quarters.

Finally, his mother said, "Where did you get all that money?"

"At Sunday school," the boy replied nonchalantly. "They have bowls of it."

6:30 p.m. Sunday, June 10th
and Sunday, July 8th

Please look through the hymnal, choose your favorite song, we do our best to sing at least one of each person's most loved hymns.

Prayer will include silent and spoken prayer. We rejoice that our Father in Heaven hears us when we seek him. We pray for all requests, for our Church Body here and throughout the World. We pray for Love and Peace to envelope MANKIND. Join us as we make a joyful noise. Your presence at this gathering will make a positive difference for all of us.

MEETING

CAMPTON

CONGREGATIONAL CHURCH

Following Fellowship

Sunday, July 29th

All members and friends are urged to join in the conversations as we review what we have accomplished so far this year. We gather with excitement and expectation, for the Lord is doing great things! Bring your ideas with you. Members and Friends may enter our discussions; Members have a vote.

SUNDAY SCHOOL VOLUNTEERS

We are in need of volunteers to help with the children on Sunday mornings. Please consider helping out on one Sunday each month. Contact Sandy Manson to let her know you are willing to assist in this important part of our ministry. Children on Sunday mornings stay in the Sanctuary until after the children's story, then out to the classroom for a story and craft. Your assistance will be a blessing to our church family. Bless you in advance for your willingness to help.
