Choosing a Medicare Supplement Plan

We offer Medicare Supplement policies for 10 of the 11 standardized plans A, B, C, D, F/HDF, G, K, L, and N (*plan availability may vary by state*). All Medicare Standardized plans include the following Basic Benefits:

- **Hospitalization:** Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.
- **Medical Expenses:** Part B coinsurance (*generally 20% of Medicare approved expenses*) or copayments for hospital outpatient services. Plans K, L, and N require insureds to pay a portion of the Part B coinsurance or copayment.
- **Blood:** First 3 pints of blood each year.
- **Hospice:** Part A coinsurance for eligible hospice/respice care expenses.

See outline of coverage for details and exceptions.

- ▼ Plan F also has an option called a high deductible Plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar-year deductible. Benefits from high deductible Plan F begin after out-of-pocket expenses exceed the calendar-year deductible (*\$2,200 in 2017*). Out-of-pocket expenses for this deductible are expenses that are ordinarily paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the separate foreign travel emergency deductible.
- Plans K and L provide for different out-of-pocket cost-sharing (*50% for Plan K, 25% for Plan L*). Once you reach the annual limit (*\$5,120 for Plan K, \$2,560 for Plan L*), the plan pays 100% of the Medicare copayments, coinsurance, and deductibles for the rest of the calendar year. The out-of-pocket annual limit does NOT include the charges from your provider that exceed Medicare-approved amounts, called 'excess charges'. You will be responsible for paying excess charges. The out-of-pocket annual limit may increase each year for inflation.
- Plan N pays 100% of Medical Expenses (*Part B Coinsurance*) *except* for a copayment of up to \$20 for an office visit and up to \$50 for an emergency room visit. The emergency room copayment is waived if the insured is admitted to any hospital, and the emergency visit is covered as a Medicare Part A expense.

Some states require designated Medicare Supplement plans also be available to people under age 65 and eligible for Medicare due to disability (*different application forms may be required*). Policy benefits are identical for people over or under age 65. Premiums are based on Preferred or Standard, age, sex, State/Area.
