

Reliable

Have you ever heard the saying, “They are as reliable as they come.” Reliable means able to be trusted. What a great word to describe someone, and it got me thinking about how reliable God is. After all, a promise is only as reliable as the one who makes it right?

“God is faithful [He is reliable, trustworthy and ever true to His promise—He can be depended on], and through Him you were called into fellowship with His Son, Jesus Christ our Lord” 1 Corinthians 1:9

If God says He will do something, then He will do it. The LORD is the everlasting God, the Creator of the ends of the earth and nothing is too difficult for Him. Since truth is the very essence of His nature, its impossible for Him to lie.

God always fulfills His promises. He’s definitely reliable! This means, every word of every promise that God has made will come to pass. The truth is the Lord is absolutely adequate, faithful to His Word and His continual presence in our lives guarantees the fulfillment of every promise.

Today He is saying:

Every Word of every promise made will come to pass. You have the very life of Christ within you. Do you not see? You are the handiwork of your Creator. You are not a mistake. Do not despair.

I do not forsake my children. I love My righteous ones. Yes, you are on unfamiliar paths, but I will lead you. I will guide you. You will see My answer in time.

Be strong and courageous, for I will never leave you nor forsake you. Embrace this truth. I am calling to you to not be shaken by things you see. My strength is within you. My strength will carry you through.

Watch and see if I do not turn the darkness into light before you. Watch and see how I will turn these rough places into smooth places. Watch and see the things I will do for you.

Trust Me. Surrender your fears to Me. Surrender those concerns to Me. I have said it, therefore it will happen. Every Word of every promise that I have made will come to pass.

My precious friends, do not lose heart. God’s promises magnify how wonderful and faithful He is. He keeps His Word to you in His time. He wants you to be confident in his ability to keep those promises. He’s totally reliable!
