Veterans Day Ceremony Cameron, MO

Shoot Like A Girl Surpasses *Half a Million* in Donations to Veterans

The Cameron community came together in full force on Veterans Day 2024 to honor and express gratitude to the men and women who have served our country. Saturday's ceremony, held inside the Cameron Missouri Veterans Home, was a heartfelt celebration of the sacrifices and dedication of our veterans.

It was also a landmark occasion for Shoot Like A Girl (SLAG), a locally based charity committed to empowering women through shooting sports while supporting those who have served. This year, SLAG proudly reached its ambitious goal of raising \$66,000, bringing its lifetime donations to veterans to over half a million dollars.

The event was more than a donation milestone—it was a moment to put the spotlight on our heroes. In addition to presenting the funds, the SLAG team engaged veterans in the celebration, inviting them to help draw the winning raffle tickets for this year's gun raffle fundraisers.

This Veterans Day, we pause to reflect on the incredible sacrifices made by those who answered the call to serve.

From all of us at Shoot Like A Girl: Thank you for your service. You deserve this recognition. Enjoy your day—you've earned it. If it weren't for you, we wouldn't be here.
