Booking Reservations for September 8-10

To make your reservation for the September 8-10 weekend, use the Group Code below when booking on our website www.WestFortyRVPark.com: **FALLCAMPOUT23**

The campsite block expires on August 24. *Unclaimed camping spots will be open to the general public starting August 25.*

Availability for campsites is in real-time on our reservation page for Friday, Sept. 8 - Sunday, Sept. 10.

Each reservation made prior to August 25 requires a minimum of 1 wristband purchase for the Saturday night event, good for admission of 1 person in your camping group. Add the number of people in your group who would like to attend the event. Wristbands will be distributed upon check-in. *This helps pay for the costs associated with food and entertainment for the night. Reservations placed after August 25 will need to order wristbands for the Saturday event by contacting the office directly.*

If you would like to arrive earlier or stay later than the dates of the campsite block for the event weekend, just follow these easy steps:

- 1) Book your campsite for September 8-10
- 2) When you receive your confirmation, reply to the confirmation email with a request to arrive early, stay late or both.
- 3) West Forty will make the requested changes to your reservation manually. The changes will be confirmed by email and will show up when you visit our Guest Portal.
