

Actions

We must be more than aware,

We have to care,

Or part of the Gunnah,

Will be our share.

What's happening isn't right,

We must put up a fight,

Against the oppressors,

We must stand with might.

People lie and cheat,

It's a very big feat,

We cannot be sold,

For money and treats.

Allah is watching you,

Accounting what you do,

If you are good in actions,

Sawab will come straight through.
