

Hi, all

Our class has moved on to lesson ten and I appreciate how you have been participating from the past weeks. We will take a deeper dive this week into the new topic. The homework for the week is to copy the vocabularies four times each with pinyin twice: 暑假, 本來, 住在, 臺北/南, 退休, 舅舅, 一次, 紐約, 旅行, 法國, 看

Please feel free to email me if you have any questions or concerns.

Sincerely,

Ms.Tan
