Table 19

Ex-maid of honor Eloise (Anna Kendrick) - having been relieved of her duties after being unceremoniously dumped by the best man via text - decides to hold her head up high and attend her oldest friend's wedding anyway. She finds herself seated at the 'random' table in the back of the ballroom with a disparate group of strangers, most of whom should have known to just send regrets (but not before sending something nice off the registry). As everyone's secrets are revealed, Eloise learns a thing or two from the denizens of Table 19. Friendships - and even a little romance - can happen under the most unlikely circumstances.

Every Last Lie

by Mary Kubica

New York Times bestselling author of THE GOOD GIRL, Mary Kubica is back with another exhilarating thriller as a widow's pursuit of the truth leads her to the darkest corners of the psyche. "The bad man, Daddy. The bad man is after us." Clara Solberg's world shatters when her husband and their four-year-old daughter are in a car crash, killing Nick while Maisie is remarkably unharmed. The crash is ruled an accident...until the coming days, when Maisie starts having night terrors that make Clara question what really happened on that fateful afternoon. Tormented by grief and her obsession that Nick's death was far more than just an accident, Clara is plunged into a desperate hunt for the truth. Who would have wanted Nick dead? And, more important, why? Clara will stop at nothing to find out—and the truth is only the beginning of this twisted tale of secrets and deceit. Told in the alternating perspectives of Clara's investigation and Nick's last months leading up to the crash, master of suspense Mary Kubica weaves her most chilling thriller to date—one that explores the dark recesses of a mind plagued by grief and shows that some secrets might be better left buried.
