## Preschool 3K

Dear Parents,

It's the beginning of my favorite time of year. I love November and December. We have had some real fun these past two months and I'm so excited to get to know your littles even more. This month our themes are farm, 5 senses, healthy snacks, being thankful, and fairytales.

We have been working on how to hold a pencil and how to hold our scissors. We love using our scissors to cut straws and send them across the room.

We are still really enjoying chapel time. We learn a new song and memory verse and are doing really well with them!

Snack: Please remember to send in 2 snacks for 16 kids at the beginning of the month. One snack must be a fruit or vegetable.

Snack ideas: popcorn, yogurt, carrots and dip, apples, bananas, grapes, cheese and sausage, cheese sticks, pretzels, granola bars, ritz crackers and granola (chewy) bars.

Please make sure you are sending a clean and filled water bottle every day with your child. We will refill it as needed throughout the day.

**As a reminder our center will be closed for November 24-26 for Thanksgiving break.**

Please remember our schedule is subject to change.

Live loved,

Ms. Kayla
