

**Coronado Athletic Club  
2020-2021 Parent Financial Responsibility  
Tournament Entry Fees**

PLEASE READ THOROUGHLY

1. By accepting the offer of a roster spot for your player this year, you are accepting the financial responsibility for all fees associated with tournaments, and showcase events in the event that no fundraised money is available to cover the costs.
2. Once notified of the teams projected tournament schedule you must inform your team manager of your player's availability during those dates and, if no such notification is given it will be assumed that your player is available during the specified dates.
3. Player's may opt out of fundraising efforts by notifying their team manager and/or coach and those that do so **MUST** pay a proportionate amount for each tournament based on tournament cost divided by players attending and will be determined by the team manager and/or coach!
4. In the event that no fundraised money is available or there is not enough to cover a particular tournament the full tournament fee or amount outstanding after the fundraised money has been applied will be divided up between the number of players who did not opt out of fundraising and who are rostered and active at the time of invoicing and rounded up to the nearest \$5 (example registration fee \$500, 15 players rostered = \$35 per player). If you have opted out of fundraising efforts the amounts in paragraph 3 above are due regardless of what other team members who opted into fundraisers are invoiced.
5. Parents will receive a request for payment either verbally, via invoice or by email from the team manager/coach 60 to 15 days prior to each tournament registration deadline in the amount based on the formula above and the invoice will be paid in accordance with the terms therein.
6. If your player's availability changes before request for payment has been issued the fee will be re-calculated. And, likewise, should your player's availability change after request for payment has been issued your player's share is still due and payable prior to the stated deadline.
7. If a Player joins the team after the majority of the fundraising events have occurred they will automatically have to pay the amount stated in paragraph 3 above for each tournament. This will be determined on a case by case basis by the team manager.
8. Any remaining monies left at the end of the season may be used for end of season parties, coach thank you gifts, or may be carried forward to next season.

By signing this I fully accept the terms of the statement(s) above and will pay all my assigned fees in accordance with the guidelines above.

I elect to "opt out" of any fundraising efforts.
