SEPTEMBER 2023

FROM THE PRESIDENT'S DESK

First, I want to thank Howard for his years of service as club president (not to mention all the other positions). Howard will continue as a board member and chairman of the pistol and buildings & grounds committees.

It's been a while since we had a president who isn't named Howard or Gary, so I thought I'd introduce myself. I first found out about York IWLA in 2011 through the Fun Shoots. It wasn't long before I joined the club and became active in USPSA and 3-Gun matches. Within a couple years I joined the Board of Directors, with a couple terms as vice-president thrown in for good measure.

I've often considered how fortunate I am to have access to a facility like York IWLA. As your new president, I have some big shoes to fill, but I'll do my best to keep York IWLA the outstanding facility it is. The success of our club depends on the volunteer efforts of the membership. We welcome any help we can get on our many committees, so if you can pitch in email me or just show up for a work detail. We have one scheduled for October 21 at 9:00am.

Finally, a reminder about our scholarship program. Each year we award the Phillip W. Stinger Memorial Scholarship to deserving youth who are majoring in Ecology or related studies. Applications will be accepted through the end of September. For more information and the application, visit the webpage.

BUILDING & GROUNDS

Our monthly scheduled club work parties are on the club calendar on our website www.yorkiwla.org but we also have been running many supplemental work details recently. We have been sending out emails, but we also announce them on our Facebook page "[York IWLA Buildings and Grounds.](#)" Check it out and follow it. There are also a lot of pictures of the ongoing clubhouse ground floor renovation.

Our next monthly scheduled work party is **Saturday, 10/21 at 9:00 am.** Chainsaws, hedge trimmers, loppers and other outdoor tools will likely be the most used items. Trucks and trailers are always useful. We may also do some painting and pressure washing. Dress accordingly.

We also have monthly scheduled work parties on **Saturday 11/11 at 9:00, and Saturday, December 9th at 3:00 pm** also. Remember all ranges are closed for the duration of monthly scheduled work parties.

The winners of the \$25 gift cards for the August work party attendees were Matt Tubbs, Dale Brose, Scott Hildebrand and Mike Amrhein. Thanks for all your help. It's your club and we really need you to do your part to take care of it.

At the Family Picnic Rob Morrow and Paul Towner won certificates for free 2024 dues for showing up to club work parties! You could win at the Christmas party if you show up for work parties between now and then.

GREEN TREE PLASTICS ABC PROMISE PARTNERSHIP

Board member Kevin Myers is heading a bottle cap collection effort, here at York IWLA. Working with Central York High School's Earth Savers initiative, these caps will be made into colorful park benches. Almost any plastic cap can be used, as long as they are clean. These are generally the caps that are unacceptable for main stream recycling. Look for drop boxes at and in the clubhouse, and at various events.

JUNIORS PROGRAM

Now that the weather is nice and there is daylight during our meetings we will be outside. Please come dressed to get dirty and or possibly wet. I recommend long pants and closed toed shoes. Also, I did get a few people saying they wanted to go to Limestone Springs. I have that planned for September 24th at 9am. Let me know if your Junior is interested and I can add you to the list. Send me an email if you are interested and want details. Visit our website page at
