From the President's Desk:

I am happy to report that we are able to resume some organized group outdoor activities at the club starting immediately. We will still abide by state guidelines and practice social distancing but even small steps towards normalcy are welcomed. We will have the April 20th

Membership meeting at 7:00 pm and it will be held outdoors.

Bring a chair and dress appropriately. Each committee or sub-committee will decide what to do and when, but I know the pistol committee is ready to restart matches, trap will be restarting April 5th, and the buildings and grounds committee is looking forward to holding club work details again. I would look for information from the Trout committee about spring stockings too!

We are doing the orientations that are required to join, but we are following an irregular schedule and advance sign up is required. Please see our website for details. While we are unable to hold meetings that requirement to join is being waived.

Be smart, stay safe,

—Howard Thompson president@yorkiwa.org

This is requirement for membership.

MASKS ARE MANDATORY FOR EVERYONE ATTENDING. If you are medically unable to wear a mask, other arrangements will have to be made. Please dress for the weather, bring a completed application and a check or money order for your joining fees. See our membership info page for the fee structure. Thank you - membership

TROUT COMMITTEE

It's trout stocking time for this year and it all starts in just under two weeks! The first stocking date starts March 13th and we're looking for warmer weather. The Brooks and Rainbows are looking good, but the Browns need a little more time in the nursery.

Covid is still an issue in PA ,so we'll be following covid protocol. As the PA Fish & Boat Commission is not having the general public help them this year, we will do the same. We will work within the organization for members to help with our stocking effort. We invite anyone who would like to participate in this fun task or other trout activities to contact Bob Nelson at treasurer@yorkiwla.org.

Unfortunately, this year the KIDS FISHING DERBY, has been canceled. We're looking to have a kids fishing day in May and will have updates in next month's newsletter. These times are trying, but we look toward the future and the return of trout activities in 2022.

JUNIORS

Hi Juniors!

Typically this time of the year the juniors will be preparing for our annual Easter egg dying and hunt. The egg dying is cancelled. However, we will be doing a modified egg hunt. This is open to all Juniors. Around the club there will be eggs hidden. The eggs will be hidden on the trails, around the trout house, pond, clubhouse and stream. **There will be no eggs hidden on or near the pistol ranges, trap, archery, porta pots, and ground keepers house.** Each Junior is allowed to find 8 eggs. So if you find more than 8 eggs please leave the rest for others to find. The hunt will be open from March 26th to April 10th. Inside the eggs are instructions with a number. Each kid will take that number and send it to me. Each number goes with a prize. Prizes include gift cards, small toys, chocolate bunnies, and other candy. All eggs will result in some sort of prize. I will not announce any prizes until April 11th but you can send me numbers as soon as you locate them. If you give me more than 8 numbers I will know you took more than 8 eggs. After April 10th any egg that is located can be discarded by any member who picks them up. Any questions on this please feel free to contact me. Prizes will be announced via email so please make sure I have an updated one. If you haven't seen any recent emails from me then I don't have one for you. *Sarah Chenowith*
