

FAMILIES ON FIRE

Sparking the Fruits of the Spirit in Your Heart and Home

In honor of Jory Konrade, a former St. Andrew's School student, the Konrade family has authored a book called, "Families on Fire: Family Night Activities to Spark the Fruits of the Spirit in your Heart and Home". This book honors Jory's life and encourages families to spend time together each week doing a family night.

The book includes 27 family night activities (3 for each fruit of the spirit). Each family night includes an opening prayer, activities, discussion questions, and a closing prayer. The book includes pictures of Jory at all ages, his artwork and nature photography, and the special "I love you forever" artwork his daughter Halee did in honor of her love for her father.

In our busy world today, with the influence of technology, traveling to kids sporting events, and other work and outside commitments, it is harder and harder for families to find time to spend together. Our hope for promoting this book is to get families to dedicate one night per week for the family to spend together, growing in love and appreciation for one another and their love for Christ.

All proceeds from the sale of this book will be used to fund scholarships in Jory Konrade's name. Cost of the book is \$35.00 (\$20.00 for any St. Andrew's School Family). Make checks payable to: Konrade Kreation's.

With Deep Gratitude,
~ The Konrade Family

Copies are available in the Parish Office and at St. Andrew School.
