

Making God Fit

Are we making God fit into our lives, or are we fitting our lives into His Kingdom? There is a huge difference between these two aspects and I pray we would choose carefully. How could we ever make our creator, maker, Father, and Savior conform to our ways?

Isaiah 29:16 You turn things upside down, as if the Potter were thought to be like the clay! Shall what is formed say to the one who formed it, "You did not make me"? Can the pot say to the Potter, "You know nothing"?

If we ever want to be used by God, we must understand what it means to be the clay; and it is the clay that is to be molded by the Potter. We are the clay, and I pray we have not turned things upside down as though God owes us because we chose to sacrifice our lives for Him. **GOD PAID THE ULTIMATE SACRIFICE, NOTHING WE CAN DO COULD EVER MEASURE OR COMPARE.**

God is encouraging us to stop forcing our Lord to conform to our ways. God will never use us if this continues. **Are we trying to conform God to our worldly mentality?** I pray we would not box God into our world. It is so dangerous to fit God into our world. We have been called to change this world to beat to the same rhythm as God.
