

Do you need verification that dues are fully paid?

Current dues records are kept electronically in the office. The General Manager is happy to confirm if dues are paid or if an outstanding balance is due on a unit in the process of sale.

We do not have a resident Notary Public. Realtors/Property companies must provide the form and notary. Once verified that dues are current, the manager will sign in the presence of a notary.

Contact the office via phone: (515) 964-7436
