

Terrors of Isis, Please Intercede

6-17-15

I had a breakthrough with Jesus and we were dancing. He had me in a very tasteful white and silver evening gown that twinkled as we moved, with a purple orchid on my right wrist. Purple is the color of suffering. My shoes also matched this amazing gown with brilliant twinkles of light shimmering off of them.

There had been several hours of prayer. It seems that every little thing is getting more and more difficult. Hours pass, dry hours where I doubt my standing with the Lord, and even question if He is going to continue to speak with me. These emotionally and mentally dry hours are excruciating in the spirit because I cannot reach out and touch Him or see Him, let alone hear Him.

My eyes grow heavy, my heart lonely until He comes and speaks with me. I began my worship time around 10:30 and here it is 5:30 and He has just spoken to me. I question, 'Is there something wrong with the way I am worshipping? What's different here? Is there more sin in my life I have yet to recognize?' Well, to some degree I am sure of that.

I lose track of eternity and begin to weaken and complain of the heaviness that seems to pervade the very air I breathe. Everything is noticeably harder for Ezekiel and I. More fatigue, eyes that don't want to stay open, bodies that fall asleep... Oh Lord what is going on here??

"You are under tremendous oppression right now. Offer it up, it is needed. Oh, Clare if only you could see the travesties being perpetrated on humanity right now, if only you could see."

Oh, Lord I don't think I can see. Oh, please Lord - just hearing about it is too much.

"Just offer it up then, that's the least you can do."

"Tell them that I need their sufferings and oppressions for innocent little ones being murdered in cold blood, that I might remove from them the pain and terror they are at this moment suffering. Yes, I always send you little updates of something when I want you to know about it. That's why you don't need to search the internet."

"In this furnace of affliction, you are removing the sufferings of so many little innocents. What is being done is beyond human, it is pure demonic. That is why so many on your channel right now are going through very, very hard times."

"Part of your depression is a suffering in the subconscious for what is happening with others. You are all united by My Spirit and the Spirit is strong on little children - you are intercepting some of their cries and pleas. They, many of them, are too little to understand what is going on. I cannot tell you how much comfort you bring by your intercession and the cross you are carrying right now."

"Didn't you expect it to get much worse before My Coming for you? Well, believe Me, I am spreading it around - that is why there is so much sadness and fear in the world right now. But, cheer up, it won't be long now."

Oh, Jesus! It is so horrendous what is being done to these babies, please, oh Lord, God... please intervene on their behalf.

"You know that this was arranged before they came to Earth, do you not?"

I hadn't thought of it.

"Well, it was. What is different is the suffering I am sparing them through the intercession of saints all over the world and their shouldering this cross with great love and devotion.

"Yes, I know, even the messages are getting more difficult to intercept. This is yet another piece of My cross for you. Thank you for bearing up under it. No, it is not a punishment, it is a cross, another offering for loved ones."

I thought perhaps my imperfections were causing You to withdraw from me just a little bit.

"I know what you thought, that is why I brought it up. We dealt with that yesterday, now this is a different story. Please do continue to persevere. I know it is hard, but there is no easy way to do it. All over the world there is suffering Clare, all over the world. Much is the direct result of sin, and many are the innocent victims.

"Satan's hatred for mankind knows no limits, he is out to purge the Earth of every last soul. His time is short. Little do they know it, the ruling elite are going down as well. They are only being used for his purposes and when he's done with them, they also will meet with their demise. And unlike these innocent children, whom I have taken to Myself, their eternity is in the fires of Hell.

"Think not, Oh wicked generation, that your children and grandchildren will be spared. Oh, no. You will all perish together. Those who are yet innocent I shall take to Myself. Those who are corrupted in the blood of innocents shall go down into the fires of Gehenna with you, and their worm shall never die. Oh, it would have been better for you and for them that they were never born. But now that you have sown genocide you, too, shall reap from its jaws and even more unto eternal damnation. Yes, weep and wail - your time is coming."

"But they will not weep nor wail until their time is upon them. I know it seems to you to be impossible that souls will agree to that short little life and such suffering, but they see things from a different perspective than you do. They have made a choice born out of understanding which you do not have as you live on this level. But I have promised them respite from the suffering and that is what your prayers are accomplishing.

"So, I just want to say, please persevere, hang in there, know with surety of heart and mind that I am coming and as intensity mounts higher, so will My grace be released. Just don't give up on Me. Persevere under trial and make yourselves worthy of My Name.

"I am waiting on you, My beloved Brides. Call to Me, that I might endue you with stamina, knowing full well you are making a difference just by carrying your daily crosses."
