

NATIONAL

CAPABILITY STATEMENT

“There is no substitute for hard work!”

National Traffic Solution is a family owned and operated business, with a team of knowledgeable contractors and engineers, and years of experience in infrastructure and roadway construction.

Our company's core competencies include **ROAD CONSTRUCTION** specializing in **pavement** and **infrastructure**.

Occupied and fully operational job sites are never a problem.

We are a one-stop construction company that can also plan, manage, and build multi-phase jobs.

DIFFERENTIATORS

- Occupied and fully operational job sites are never a problem.
- We plan ahead and maintain jobs on schedule.
- We take pride in our work and safety of our team.

PAST PERFORMANCES

FDOT - CENTRAL OFFICE

FDOT - DISTRICT 6

HORSEPOWER ELECTRIC

WEEKLEY ASPHALT

- Recently completed project **T1831** and project **T1845**, where we installed new infrastructure and preformed road widening.
- We completed project **T5421**, where we performed paving, structural concrete, earth moving, MOT and signing & pavement markings.
- Project **E6L75** where we partnered with Weekley Asphalt in signalization and lighting, structural concrete, and clearing and grubbing.
