Dear Parent/Carer,

Option to carry on with Instrumental Tuition

We do hope that your child has enjoyed their opportunity to play a musical instrument as part of the Government's *National Music Plan*. Arts Council England funding has provided this opportunity free of charge and I hope that you feel that it has been a good introduction to playing an instrument. Not only is learning to play a musical instrument and developing musical skills fun and rewarding but it has been proven to help children develop:

- **Perception, Awareness, Creativity and Imagination**
- **Language, Numeracy and Literacy Skills**
- **Personal and Social Skills**
- **General Attainment and Intellectual Development**

The Whole Class Project that you are currently receiving from the Northamptonshire Music and Performing Arts Trust finishes at the end of this term and we are aware that some children may wish to continue learning their instrument once the project has finished. In order to facilitate this we are able to offer a subsidised Follow-On Project in Large Groups (usually six children) for a further term of 10 lessons at a cost of £33.50.

If you would like to continue tuition next term please make your payment by Parent by **7th December**.

In order to take part in the Follow-On Project your child will need their own ukulele. If you would like Hopping Hill to purchase a ukulele for your child at a cost of £12.99 please make your payment for this by Parentpay by **7th December**.

Best Wishes

R Roper (NMPAT First Access coordinator)
