It's a Family Thing

At Marble Slab Creamery

Letter from the Publisher

April / May 2014

As an individual that prefers warm weather, spring is a beautiful time of the year. The unusually harsh winter for our area seems to have cleared the landscape for a renaissance of nature. This is the time of year that, besides the flowers blooming and trees budding turtles, ducks and other wildlife start to show themselves. We maintain a Texas State Park Pass and we have already been putting it to good use. Nice evening walks around Lake Ray Roberts at Isle du' Boise are a great and practical way to spend family time. We are always amazed at how much wildlife you can see just a few steps into the wooded area.

There are so many affordable area springtime events, activities and destinations to enjoy in and around the corridor. With a short drive north, the family can enjoy Frank Buck Zoo in Gainesville or GermanFest in Muenster. A short drive south can take you a step back in time by visiting the Scarborough Renaissance Faire in Waxahachie. If you have any parties or celebrations coming up, check out our article on the GameTruck. It is a great local business that offers a variety of customized packages to fit the needs of your event, and may I suggest following it up with ice-cream or an ice-cream cake from our local Marble Slab Creamery.

If you are looking for family fun time in your back yard, polo season is underway and they host exciting events all spring including the ever popular Polo on the Lawn. Just down Naylor Road, past the polo fields, you will run into the Dallas Corinthian Yacht Club, where you can visit their open house and enjoy the ceremony and festivities, or even catch a ride in the parade of boats on April 19 starting at 11:00 am and running throughout most of the day. We are lucky living between two beautiful lakes that offer so many recreational activities. There is nothing like kayaking with the family on either of the lakes, or at the 380Greenbelt. There are also some amazing fishing holes and horseback riding trails just outside our doors.

While blessed with all of nature in the area, we are also starting to see all of the conveniences popping up quickly along Highway 380. That is why we are also fortunate to have organizations protecting our green areas for continued enjoyment. GreenFest is an event that helps raise money to ensure our greenbelts are protected for years to come. If you are new to the area and looking for a church to call home, there are many exciting Easter events that offer a great opportunity to get to know the congregations and find the right fit for your family.

We hope that all of our readers enjoy the lifestyle the 380 corridor has to offer them as much as we do. Please remember to support your locally owned businesses because they are the first to support your area organizations. As always, we thank our advertisers. Without them we would not be able to share all of the area events and activities with our readers.

Wishing all of our readers a very Happy Easter!

W

elcome to the 2014 Prestonwood Polo magazine. We had a great year in 2013 and look forward to an even better 2014. Congratulations to our PrestonwoodVarsity team for winning the Central USA High School Championship two years in a row. They represented the Hwy 380 Community well by defeating Houston 16-7 and Culver Military Academy 13-10 to win the Central USA Championship. They advanced to the National Tournament and defeated perennial powerhouse, Poway California, 15-12 to advance to the semi-final round losing to defending National Champion, Natania, from Virginia. They gained valuable experience as the youngest team in the National Tournament and look forward to next year.

Our spring season opens Saturday May 3 with Polo on the Lawn Kentucky Derby Day charity event for Project Transformation. Come check us out, we are the BEST tailgate in the 380 corridor, bring your family, friends, neighbors and enjoy thoroughbred horses and the traditional halftime champagne divot-stomp. If you're looking for a new place to live be sure and check out our new one acre home lots surrounding the polo fields. Each lot has a spectacular view of polo fields and 60 acres of open space, for more info go to www.POLOlots.com.
