

## Usui Shiki Ryoho Reiki Level 2 Practitioner

**\$150 per person**

Reiki II is the level where you are taught the next exciting step in learning to use Reiki.. With this comes the skill of being able to focus healing on mental and emotional problems, and distant healing those not physically present.

Becoming a Reiki level 2 practitioner does not represent separate energies, but a specific method of focusing on a specific aspect of the Reiki energy. To be able to work with Reiki Level 2, you will need to have received a Level 1 attunement from a qualified Reiki Master/Teacher. The proper and minimum amount of time must have passed between all attunements.

**\*\*Reiki is not a substitute of conventional medicine, but it can be a useful complimentary therapy. \*\***
