

Camp Mission

It is the mission of the Georgia Lions Camp, Inc. to provide personal growth experiences for children, teens, and adults with visual impairments through the use of recreation, education, socialization, and rehabilitation in an outdoor setting.

Georgia Lions Camp Philosophy

The Georgia Lions Camp believes that it is the right of the blind and visually impaired, to experience the same opportunities offered to the general population of camp attendees. The fundamental need exists for love, protection, security, acceptance, as the non-handicapped, and therefore should be given the opportunity to fulfill these needs. Campers must be offered the opportunity to have fun, make friends, and share experiences.
