BARGAINING BULLETIN #7

June 10, 2019

WE HAVE AN AGREEMENT!

Your Bargaining Committee is pleased to announce that early on Sunday morning the Union and the University reached a tentative agreement to renew and revise the Collective Agreement.

In addition to the general wage increases, we have successfully negotiated other monetary items and important language improvements.

Information on the details of the tentative agreement, information meetings and the ratification vote will be published tomorrow.

Stay tuned for more information – every vote is important.

In solidarity,

Your CUPE 116 Bargaining Committee
