 Course Westlake (68.3/122)  
 Weather Mid 40s Cloudy

We played a very challenging course - Westlake- with tight fairways and lots of water in the Caliendo. The course doesn't have a driving range and hitting your first drive with water all the way down the left and trees on the right made for some interesting first swings. No junk for any of us. Some greens were frozen which added to the problems. Min came closest to a greenie landing one on the fringe on on #6 and just missing the put for birdie/chippie. It should be noted that Dennis says his home course is tighter!
