## Matre Forestry Consulting, Inc.

10/22/2018

Dear Matre Forestry Newsletter Subscribers,

I have had several replies from my recent email blasts asking about federal relief/aid/cost share for Hurricane Michael relief. The USDA is having a landowner information meeting in Tifton today I believe, but I could not attend. I did come across an information page at <https://www.usda.gov/media/press-releases/2018/10/18/usda-provides-hurricane-michael-victims-needed-relief-and-recovery>.

There is relief available for farmers and timberland owners, and I recommend contacting your local USDA service center and apply sooner than later. See: <https://offices.sc.egov.usda.gov/locator/app> to find your nearest office.

We hope everyone is doing well, and at least has their power back and roofs tarped!

We strive to provide an informative newsletter for those interested in timberland and farmland investments, land management, and land and timber market news. If you were forwarded this email, we hope you will subscribe. We keep our subscriber list confidential and will not share or sell our list, and we will not bombard your inbox with frequent emails. We send our quarterly newsletter notice out once a quarter, and occasionally we send out short email blasts to inform our subscribers of available properties, available hunting leases, and share important current event news that affects the land and timber markets. You can unsubscribe at anytime. Please forward to a friend. We welcome your feedback.

Sincerely,
