

Capability Statement

S&D Construction Management, Inc. is a full-service general contracting firm founded 2006. We are professionally staffed and insured with a strong workforce experienced in **managing** both public and private construction projects. Our primary area of concentration has been renovation of commercial and institutional buildings, and the demolition of multiple structures. We participated in a broad range of projects, such as the Commonwealth Stadium Renovations, and the Bluegrass Airport Revolving Door Project. As a rule, we develop good relationships and open communication with owners and prime contractors, to provide high quality services and attention to detail that the project deserves. S&D Construction Management, Inc. looks forward to the opportunity to serve you!
