Section C

Pool Parties

1. DURING REGULAR / LIMITED POOL HOURS -

- Since the pool remains open to all members during pool parties, the rights of the other pool members and their guests may not be infringed upon.
- The pool manager must approve pool parties at least seven (7) days in advance. Notice will then be posted for the general membership.
- There is a maximum of 15 guests (children plus parents/adults) in one group or party, regardless of how many member families are involved or how many guests are or are not swimming.
- Each membership is allowed 15 guests per month; the total number of guests in the group will count toward that total.
- Sign-in with the lifeguard will be required at the time of the event. Check out is required after all debris and refuse from the party/group has been picked up and the picnic area and bathhouse returned to its original condition.
- All other rules of the Northwood Park Swim Club will be followed.

Section D

2. DURING NON-POOL HOURS-

Pool parties during non-pool hours may be arranged with the Pool Manager.

- Pool parties must be arranged with the pool manager and approved at least two weeks in advance. A refundable cleaning fee deposit of \$20 is required at the time of booking. This deposit will be returned if the pool and covered areas are cleaned up to the lifeguard's satisfaction. Make checks payable to Northwood Park Swim Club.
- The pool party may be scheduled for 2 hours for a nonrefundable fee of \$60 for up to 25 swimmers (members and non-members included). Parties with 26 to 50 swimmers will be charged an additional \$30 to cover the cost of an additional guard. This fee covers all lifeguard duties for the 2-hour party.
- The total number attending the party will NOT count against the member's monthly guest total.
- Check-in with the lifeguard will be required at the time of the event. Check out is required after all debris and refuse from the party/group has been picked up and the picnic area and bathhouse returned to its original condition.
- All other rules of the Northwood Park Swim Club will be followed.
