REMARKS:

Inclosed are the remaining letters. Please pull the ~~xxx~~ green copy from each one for your files. Send the remainder to us.

I called Marine Corps personnel reference the 3 Marines. They don't seem to be too concerned about sending the letters to the parents. Besides they are in the midst of moving to NAVFORV and it would be almost impossible to get at the records to obtain the necessary addresses. CPT Jones said merely to forward the 3 letters to the next of kin and forget those to the parents. *(wives)*
