COMPETITION INFORMATION PACKET

TEAMWORKS COMPETITION

April 28-30, 2020

Meadowlark Building

Hutchinson, KS

SkillsUSA, a non profit organization, empowers its student membership to become world-class workers, leaders and responsible American citizens.

SAFETY

- Safety Glasses are required. **Safety glasses will REQUIRED & PROVIDED BY EACH STUDENT.**
- Prescription glasses are required to have side shields. If you do not have side shields then goggles must be worn.
- Hard hats are required. **Hard hats will be REQUIRED & PROVIDED BY EACH STUDENT.**
- OSHA 10 certificates will need to be shown Tuesday afternoon, turned in with test materials.
- If contestants are found to be improperly trained and/or they are using the equipment in an unsafe manner they will be removed from the competition.
- Contact an Event Representative when soldering: Work must be supervised & Fire Extinguishers are on site.

CLOTHING

- Required: Skills T-shirt, clean blue jeans and leather work soled shoes.
- NO tennis shoes

EQUIPMENT

- Competitors will be required to bring their own tools. These tools are listed in the next pages. This is a basic list, if you notice something that has been missed please let me know. Cordless Tools are acceptable.
- There will be no extra materials or supplies allowed to be brought into the competition. There will be extra material on site from the chairperson but can only be used for point deductions.

SCOPE

- Resumes are required. They will need to be turned in to the TeamWorks Chairperson (Bryan Newell) on Tuesday with your test (bring 2 copies)
- There is a written test that will cover the four categories of the build. Carpentry, Masonry, Plumbing and Electrical.
- Each student will take a PDP Exam.
- Each team will be given the project drawing for one hour on Tuesday at 5:00 pm. After the hour review time you will give the drawings back to the Chair.
- The Chairperson asks for your help in shaking out the material
- Tuesday evening will be the start of the build.
- Build includes carpentry, plumbing, electrical, drywall and masonry.
- Questions: If the questions relate to needing help with the build, whether how to read the drawings, how to make a cut, whatever, they will be asked, "If they want the chair to

2020 KANSAS STATE CHAMPIONSHIPS (KSC) CONTEST UPDATE

answer this question, it will cost them a point deduction.” If it is a discrepancy on the drawings or a general question no deductions will be taken.

NEW ITEMS FOR 2020: TRADE CHALLENGES

- There will be a plumbing challenge. A small assembly of pipe will be soldered, pressurized and checked in a water bucket for leaks.
- There will be an electrical challenge. Students will review an electrical installation and trouble shoot potential problems.
