

2017

AMELIA EARHART FELLOWSHIP

Expanding opportunities for women
in aerospace-related sciences and
aerospace-related engineering

AWARD

US\$10,000 TO 35 INNOVATIVE WOMEN
FROM AROUND THE GLOBE EACH YEAR

APPLICANT REQUIREMENTS

Women of any nationality who are enrolled in an accredited Ph.D./doctoral program in a qualifying area of science or engineering closely related to advanced studies in aerospace-related science or aerospace-related engineering are eligible to apply (students pursuing a post-doctoral research program are not eligible).

Applicants must demonstrate a superior academic record at a recognized university or college with accredited courses in aerospace-related studies as verified by official transcripts and recommendations.

When applying, please provide evidence of a well-defined research program in aerospace-related science or aerospace-related engineering and clearly demonstrate the relationship of your research to aerospace.

DEADLINE

15 NOVEMBER 2016
