

The King's Morning Glory is an 8-year-old Gypsy Vanner Horse mare. She is bred from the foundation lines of Gypsy Vanners in the US, her grandsires being Breyer Model the Gypsy King and Cushti Bok, the first Gypsy Vanner stallion to set foot in America. Glory is trained to ride and drive and has been shown from the age of six months. Glory has many ribbons to her name, including National Reserve Champion 3-year-old halter mare and several other National placings under saddle. She has also been on miles of trail rides, been in parades and participated in obstacle challenges. Glory is friendly and inquisitive and always a crowd favorite. Her most recent achievement is becoming a mother to a fantastic colt in 2019. Glory is owned by Magic In Motion Vanners in Middleburg and is ridden and trained by Perry Hopper.
