## **WORKDAY FEE INCREASE**

The ranch has an enormous amount of work that needs to be completed to include fencing, grubbing, painting, cleaning up as well as other projects needing to be completed. Due to the number of members declining to work their workdays and instead paying for them each year, which increases the ranch workload, as well as inflation, increasing the workday fee amount was discussed at the Annual Shareholders meeting in February 2024. At the general membership meeting a motion was made and seconded to increase the workday fees to \$200.00 per workday per share. A vote was taken that passed.

**Beginning in 2025 workdays not worked will increase to \$200.00 per workday per share.**
