

Dear Friends of Sts. Peter and Paul:

As we enter Holy Week and we commemorate the Passion of Christ, let us remember that it was the last week of Jesus Christ's mortal life. It begins with the commemoration of Christ's triumphant entry into the city of Jerusalem. On each of the following days after Palm Sunday, the Church remembers the journey of Jesus from his entry in Jerusalem, as said, to his last meal, trial, crucifixion, death and resurrection. These are the most important events of our faith and this week deserves our attention at home and in school with our children and students.

As we wait for Easter Sunday, let us think and meditate with our families and thus be ready to live, once again, the most important day of our faith, the Resurrection of our Lord.

In faith, hope and love,
