

## Kingdom Explanations

### We desire to be a great church with great influence.

- ✓ **Kingdom Encounters** – Sunday morning gatherings are at 10:10 a.m. with opportunities to have genuine Kingdom Encounters to make disciples, share testimonies, learn to witness, and learn how to effectively pray with others and bring Jesus up in a conversation so that when the opportunity arises in the public sector you are ready. Teaching and preaching training is included. Kingdom Encounters is Kingdom focused and not pastor driven.
- ✓ **Kingdom eXplosions** – These are our periodic evening revival services where we partner with another ministry in the city and share Jesus times together. We normally take a love offering and give 100% of it away to the partnering ministry.
- ✓ **Kingdom Expressions** – This is our worship team, including all of our creative arts, such as painting, sculpting, culinary arts, plus dancing and drama. This also includes our 714 Prayer ministry.
- ✓ **Kingdom Expansion** – Future church planting—Our goal is to plant at least three churches. This category further identifies with all missions that we support. Presently, we give 25% to missions, with our goal being 50%.
- ✓ **Kingdom Extension** – Our various outreaches throughout the city include servant evangelism, first responders, ministry to the poor, and others.
